Request Description

Short Description :

communications between the EPA and the US Navy concerning the radiological testing and rem

This request seeks all written reports, draft reports and/or any other written communications between the EPA and the US Navy concerning the radiological testing and remediation of potentially radioactive substances at the former Hunters Point Naval Shipyard (HPNS) in San Francisco California from January 1, 2017 through and including the date of this request. This request includes, but is not limited to, the following documents: 1. All reports, including draft reports, submitted to the EPA by the Navy for EPA's review, comment and/or approval, concerning radiological sampling and/or remediation at HPNS. 2. All responses, including draft responses, transmitted by the EPA to the Navy in reply to or concerning the Navy documents sought by item #1 above. 3. All documents, including draft documents, reporting the results of the Navy and/or its contractors review of data reported by Tetra Tech EC, Inc. (hereinafter "Tetra Tech"), to determine if there was any evidence of fraud or data manipulation in soil sampling, site scanning, building scanning and/or any other radiological testing conducted by Tetra Tech at HPNS in Parcels A, B, C, D-1, D-2, E-1, E2, F, G, UC-1, UC-2 and UC-3. 4. All documents, including draft documents, concerning EPA's review of and/or comments to Navy documents identified in item #3 above. 5. All documents, including draft documents, transmitted to EPA by the Navy relating to the planning and/or execution of plans to re-sample any or all of the areas, soil, buildings or other things previously sampled by Tetra Tech at HPNS. 6. All documents, including draft documents, reflecting EPA's comment on or response to Navy documents described by item #5 above. 7. All letters, email, text messages and/or any other written communication between the EPA and the Navy concerning the radiological sampling and remediation at HPNS within the specified time period.
